A Weekly Announcement Bulletin Courtesy of the HES PTA

Vol. 1, Issue No. 2

July 14, 2008

We Won!

HES wins Earth Day Recycling Challenge

In April HES students participated in the Trex Company/Harris Teeter Earth Day Recycling Challenge. Students collected and bagged 144 large garbage bags filled with hundreds of plastic grocery and retail bags. The environmentally conscious Hurricanes collected approximately one bag for every person in Wake Forest!

The win brings \$500 and a new Trex manufactured plastic bench for Heritage Elementary. Congratulations students! Your hard work paid off for your school and your planet.

First PTA Meeting of the New School Year Scheduled for the 17th

Please join us for the first scheduled PTA meeting of the school year on Thursday, July 17th at 7 p.m. in the Media Center. Families will have an opportunity to meet the leadership team, learn about the proposed budget, hear plans for upcoming activities and discuss facility and grounds improvements. The best way to know how the PTA works on your behalf is to be at the meetings. We need your voice and perspective. Please come be a part of our success.

Looking ahead –

Launch plans for the new school mascot revealed next week!

Parent Feedback Sought by PTA Leadership Team

The PTA Leadership Team wants to hear from you. New to the PTA website (www.heritagepta.org), families will find a link for “PTA Suggestions” to submit e-mail comments. We welcome your opinion on any number of subjects: What can we do to help new students feel at ease? What events do you want to see adopted at Heritage Elementary? Are there any obstacles you encountered that we may be able to help tackle? Did you find anything especially exciting about school this year? Are there any grounds and facility improvements you would like to see at HES?

All feedback is important as the PTA begins to set spending priorities and establish goals. Please take a few minutes to thoughtfully consider how your PTA can best help your student and school.

Can't find that purple PTA Membership Form? Download a copy from the PTA website and send it to school with your child. Join today!

Volunteers Are Reminded to Register With Wake County

Don't wait to discover you cannot chaperone your child's field trip because you forgot to register. All volunteers must register with the Wake County Public School System every academic year beginning on July 1st. Volunteers are requested to apply for the highest level of clearance to maximize the number of activities in which you can participate. Registration must take place using school computers in the Media Center.
